

FOR IMMEDIATE RELEASE:

ANDY SCOTT JOINS VIRIDIAN GREEN LASER SIGHTS AS SALES COORDINATOR

GREEN LASER SIGHTS

Minneapolis, MN—4/27/09 Viridian Green Laser Sights is excited to announce the hiring of Andy Scott as Sales Coordinator. His responsibilities will include working with manufacturer's reps to grow sales and assist with product management to increase brand recognition.

Scott brings experience in manufacturing and distribution to Viridian. Prior to joining the company he was an account executive with Barska Optics and a sales professional with AcuSport Corporation. "Andy brings a great knowledge of our industry as well as strong sales experience to Viridian Green Laser Sights," said Brian Hedeem, President and CEO. Scott holds a bachelors degree in History from University of Wisconsin-Stevens Point.

ABOUT VIRIDIAN GREEN LASER SIGHTS

Viridian Green Laser Sights is the nation's fastest growing laser sight manufacturer. Headquartered in Minneapolis, Minnesota, Viridian Green Laser Sights is devoted to utilizing cutting edge laser technology to offer compact, powerful, green lasers, for military, law enforcement, and civilian usage. While not the original developer of green laser technology, Viridian Green Laser Sights was the first company to offer a compact green laser sight for use on pistols. Viridian Green Laser Sights, and its patent pending technology, make them the world's leading green laser sight manufacturer. The company prides itself on offering the brightest and highest quality laser sights available. Viridian Green Laser Sights are designed and built in the USA.
